Wesleyan Mission, Mysore City

November 16th 1909

To K.S Chandrasekhara Aiyar, Esqr. B.A.
Chief Secretary to the Government of
H.H.The Maharaja of Mysore.

D 3321

Sir,

I have the honour to call your attention to the monthly Grant-in-aid of Rs200 which is now made to our Hospital for Women and Children in this City, and to request that it may be kindly increased to Rs400.

Our work in the Hospital was commenced at the beginning of 1906, and in August of that year the Hospital, which had cost Rs120,000, was opened by H.H.The Maharaja who has throughout taken the kindest interest in its welfare. Our splendid building is admirably fitted for its purpose, it contains 60 beds and is staffed by two English Lady Doctors, a Lady Nurse, a Madras trained Apothecary and an adequate staff of Indian nurses. The beds are generally all occupied and the number of outpatients varies between 70 and 120 daily. The operating theatre is splendidly furnished and the fame of the Hospital is spreading to all parts of the State. Patients have come to us from even the remotest parts of the State and it is a great pleasure to us to know that our work is thus appreciated by all classes of the subjects of His Highness.

When we first applied for a Grant-in-Aid I asked the Government to give us Rs400 a month. This they were not then able to do but granted us Rs200, and hopes were held out that this amount might be increased later. Our average expenses for the Indian staff, medicines, sundries etc. without including the expenses of the European staff, have been about Rs700 a month. Altogether the monthly expenses of the Hospital cannot be reckoned at less than Rs1500 (Fifteen Hundred Rupees). I need not say more as to the work we are doing. It

is

is known to and, I believe, is appreciated by the Head of the Medical Department of the State as well as by the general public. The work is supported entirely by voluntary contributions, the burden of raising which falls on the Manager, and I earnestly request the Government to look with favour on this most noble philanthropic effort and increase the monthly Grant-in-aid from Rs200 to Rs400.

I have the honour to be,

Sir,

Your most obedient Servant,

will be seen that the Wesleyan Mission Hospital is doing excellent work, and that as it is done entirely for His Highness' subjects, a donation of Rs. 400 a month by His Highness' Government could not be regarded as at all extravagant.
